# GUDDU KUMAR

# COMPUTER SCIENCE STUDENT

PROFILE

I am a B.Tech Computer Science Engineering student, with a strong passion for WEB development. I have been actively working in this field, developing skills in building scalable web applications using modern frameworks and technologies. Actively learning cloud-native development (AWS, Serverless) and integrating AI features using OpenAI APIs to build intelligent web solutions.

# EDUCATION

- |                                     |             |
